

Standing In the Road (Re-Recorded)

Blackfoot Sue

I'm standing in the road
A man without a home
My friends all pass me by
And never say a word. I'm feeling so alone
And all the things I've known
Just seem to disappear
And never reappear. I feel the rain and cold
My clothes have all been sold.
And all my shouts for help
Just seem to go unheard.
I'm just a lonely man
Won't someone lend a hand
Don't leave me on my own
Just standing in the road. I'm standing in the road
A man without a home
My friends all pass me by
And never say a word.
I'm feeling so alone
And all the things I've known
Just seem to disappear
And never reappear. Na na na na na na
Na na na na na na
Na na na na na na
