Miracle Day

Hank Erwin

Miracle DayAnd if I die on the boat
Just push me out to sea
Until your riptide tears
Tow me underneathAnd if I die on the road
Just tell me I came through
You only lied to me
About tellin' the truthAbout tellin' the truth
About tellin' the truth
You only lied to me
About tellin' the truthAnd if I die on your couch
Just open up the blind
And let my soul go
In that dusty sunshineAnd if I die on the stage
Just tell me I did good
And let me feel so
Uncomfortably goodUncomfortably good
Uncomfortably good
And let me feel so
Uncomfortably good(Guitar and steel guitar solos)And if I die in my bed
Just tuck me under the sheets
After a miracle day
I still got to dreamI still got to dream
I still got to dream
After a miracle day
I still got to dreamI still got to dream
I still got to dream
After a miracle day
I still got to dreamI still got to dream
Still got to dream
After a miracle day
I still got to dreamAfter a miracle day
I still got to dream
