

Ghosts House

Witchcraft

Wishes of your mind girl
Are the same that's in your head
Evil thoughts are evil
Too much wine to go with your bread
Paranoid by confusion
The blood is the reign in your home (?)
The ghosts hides in the passage
Damn spirits over here
Don't comá¹—lain, don't threat again
Never say a word
Isolation and frustration, faced your foes Can you hear the silence, fighting with the wind?
Numbed by the illusion, that nature is a wind
Flying trees can't handle needs
Waiting for your call
In this kingdom, queens are ruling, all for you all
Don't complain, don't threat again
Never say a word
Isolation and frustration, faced your foes
