

# Sugar Magnolia (Live At Veneta, OR, 8/27/72)

## Grateful Dead

Sugar Magnolia blossom's blooming  
Head's all empty and I don't care  
Saw my baby down by the river  
Knew she'd have to come up soon for air  
Sweet blossom come on under the willow  
We can have high times if you'll abide  
We can discover the wonders of nature  
Rolling in the rushes down by the riverside  
She's got everything delightful  
She's got everything I need  
Takes the wheel when I'm seeing double  
Pays my ticket when I speed  
She come skimming through rays of violet  
She can wade in a drop of dew  
She don't come and I don't follow  
Waits backstage while I sing to you  
She can dance a Cajun rhythm  
Jump like a Willys in four wheel drive  
She's a summer love in the spring, fall and winter  
She can make happy any man alive  
Sugar magnolia  
Ringin' that blue bell  
Caught up in sunlight  
Come on out singing  
I'll walk you in the sunshine  
Come on honey, come along with me  
She's got everything delightful  
She's got everything I need  
A breeze in the pines in the summer night moonlight  
Crazy in the sunlight yes indeed  
Sometimes when the cuckoo's crying  
When the moon is halfway down  
Sometimes when the night is dying  
I take me out and I wander round  
I wander round  
Sunshine daydream  
Walking through the tall trees  
Going where the wind goes  
Blooming like a red rose  
Breathing more freely  
Light out singing  
I'll walk you in the morning sunshine  
Sunshine daydream  
Walk you in the sunshine
