The Critters

She want everything
She want the Gucci and the Louis Vuittons
All the Juicy and Canary Blue
She want the kind of things that go in styleAnd she won't give it up
Until you give her just about enough
Those girls are so dangerous
It's enough to make a lover brokeNow do you want that love?
Do you need that love?
She's gonna make you broke
She's gonna make you brokeNow do you want that love?
Do you need that love?
She's gonna make you broke
She's gonna make you brokeCute magazine
Checking out the inner scene
Can't afford to book the credit sleeve
Before she know it then she's in for g'sNow don't take it personal
If you're running with this kind of girl
I'm sure she's gonna rock your world
Like the way she won't rock with her ownNow do you want that love?
Do you need that love?
She's gonna make you broke
She's gonna make you brokeNow do you want that love?
Do you need that love?
She's gonna make you broke
She's gonna make you brokeNow do you want that love?
Do you need that love?
She's gonna make you broke
She's gonna make you brokeNow do you want that love?
Do you need that love?
She's gonna make you broke
She's gonna make you broke
