

Pass At Me

Timbaland

[Intro - Pitbull]Timbaland

Mr. world wide

Here we go

[Timbaland x2]Everybody say

Dance on the floor and give it up

Baby, put it down and give it up

Nigga, set the floor and take it up

Baby, put it down and give it up

[Verse 1 - Pitbull]So listen a couple girls

Who was in and I mess with a couple girls

Magazines, you can catch me on a couple girl

I created my own planet to hover the earth and cover the world

I spit so sick so i put 'em on girls

She's tryna come over

And she burn my perms

She tryna come at

Of all of my hurts, place to be

But I made at my girls

Now she just wanna sey

Just wanna please,

She want it, so she lives on her knees

Jack and Jill, went up the hill

Each with a buck and a quarter, Jill came back with 250,

What a working girl, now work it girl

Like, ah ah ah, ah ah, ah ah ah, ah ah (x2)

[Chorus - Timbaland]Hey girl, I like what you're doing, with all that booty, oh oh my God (x2)

Oh oh my God (x3)

I like what you're doing

I love, when you, make, a pass at me, a pass at me (x2)

[Bridge - Timbaland]I love when I see your pretty ass on the floor

I like when I see you break it down like you in control

[Verse 2 x2 - Pitbull]I got a girl on the right and one cover left

With Timbaland and I'm out of breath

So go g-g-g-g-g-g-o, so g-g-g-g-g-g-o

I got a girl on the right and a girl on the left

And one in a middle, and I'm feeling their breath

So go g-g-g-g-g-g-o, so g-g-g-g-g-g-o

[Chorus - Timbaland]Hey Girl, I like what you're doing, with all that booty, oh oh my God (x2)

Oh oh my God (x3)
I like what you're doing
I love, when you, make, a pass at me, a pass at me (x2)
I love, when you, make, a pass at me, a pass at me (x3)
I love?
Pass at me (repeats)
[Chorus - Timbaland]Hey girl, I like what you're doing, with all that booty, oh oh my God (x2)
Oh oh my God (x3)
Oh oh my God (x3)
I like what you're doing
