

# Counting Stars

Cas Haley

I love you  
Yes i do  
I love you  
yes i do yes i do  
love you  
oh please understand my fear  
i'm trying to be clear  
i love you

they'll never be enough time  
they'll never be enough ways  
how the moon affects the light  
it's the mystery of our time  
you can count every single star  
still you missed by far  
no matter how i try  
i can sing a thousand times

i love you  
yes i do  
i love you  
yes i do yes i do  
love you  
oh this seems to be a dream  
oh what you mean to me  
i love you

one day at a time  
runnin out of rhymes  
waitin for the day  
when i know what to say yeah

they'll never be enough words  
comments, commitment, the moments we share  
they'll never be enough kisses  
to show you how i feel

i love you  
yes i do  
i love you

yes i do yes i do  
love you  
oh please understand me dear  
i'm trying to be clear  
i love you

(instrumental solo)

i love you  
yes i do  
i love you  
yes i do yes i do  
love you  
oh this seems to be a dream  
oh what you mean to me  
i love you

i love you  
yes i do  
i love you  
yes i do yes i do  
love you  
oh this seems to be a dream  
oh what you mean to me  
i love you

i love you  
i love you oh yeah i do  
i love you  
i love you oh yes i do  
i love you  
oh yes i do

(guitar solo) (end)
