

# Minutes

## Mahesa Utara

Love to take minutes like these  
Moments of peace and keep them close  
In this light, little to hide  
Here by my side, and so connected Surreal ease, leisurely free  
hushed and serene, head to toe  
Can't say why I'm suddenly shy  
Humble and mild, and so contented Is this real  
Am I still here  
Still killing time  
Watching minutes die Is this real  
Am I still here  
Still killing time  
Watching minutes die  
Am I still here Is this real  
Am I still here  
Still killing time  
Watching minutes die  
Am I still here Is this real  
Am I still here  
Still killing time  
Watching minutes die  
Am I still here Is this real  
Am I still here  
Still killing time  
Watching minutes die  
Am I still here
