Rapture

Lio

The night I laid my eyes on you
Felt everything around me move
Got nervous when you looked my way
But you knew all the words to say
Then your love slowly moved right in
All this time, my love, where yah been?Mi amore, don't you know
My love I want you so
Sugar, you make my soul complete
Rapture tastes so sweetI'm mesmerized in every way
You keep me in a state of daze
Your kisses make my skin feel weak
Always melting in your heat
Then I soar like a bird on the wind
I glide as I'm lying through heavenMi amore, don't you know
My love I want you so
Sugar, you make my soul complete
Rapture tastes so sweet
Rapture tastes so sweetSince we connect behind closed doors
Spark this fire even more
No telling where we will be next
Surrender to your rapture auraLay your head
(Let slumber flow)
Can't resist, that's why words
(Will rule, went wrong)Mi amore, don't you know
My love I want you so
Sugar, you make my soul complete
Rapture tastes so sweet
