

Dad

Sarah Bettens

Dad, I hate to tell ya

Sometimes I wanna slap you in the face

But dad, I gotta tell ya

If you were gone I'd miss you from this placeDon't go away again, I just wanna be your friend

And if I don't say this now, I'm gonna be sorry

Don't wanna make the same mistake againDad, I need to tell ya

Sometimes I wanna walk right out the door

Dad, I'm gonna tell ya

Glad that we don't argue like beforeDon't go away again, I just wanna be your friend

And if I don't say this now, I'm gonna be sorry

Don't wanna make the same mistake againDad, I need to tell ya

Sometimes it's hard to show you how I feel

Dad, I'm gonna tell ya

I wish that all our differences weren't realDon't go away again, I just wanna be your friend

And if I don't say this now, I'm gonna be sorry

Don't wanna make the same mistake againI see, the older that I get, I'm becoming you

I see, the older that I get, I'm becoming, I'm becoming youDad, I wanna tell ya

I just wanna take away your pain
