The Way Love Looks

Easton Corbin

Baby, I know I've told you
But I ain't told you today
Since you walked in with that sleepy eyed grin
There's something I've been meanin' to sayI like the way love looks
The way it looks on youWhen you pencil in on your makeup
When you're rubbin' it off at night
Wrigglin' out of them jeans while you're gigglin' at me
Ay, no mistakin'I like the way love looks
The way it looks on youLyin' on the very next pillow
Smilin' like you do
Sharin' your deepest secrets
Baby, I'm tellin' youI like the way love looks
The way it looks on youWhen you fall asleep in front of the TV
When you're cryin' over some sad book
When you beg and plead to go fishin' with me
And I have to bait your hookI like the way love looks
The way it looks on youLyin' on the very next pillow
Smilin' like you do
Sharin' your deepest secrets
Baby, I'm tellin' youI like the way love looks
The way it looks on youLyin' on the very next pillow
Smilin' like you do
Sharin' your deepest secrets
Baby, I'm tellin' youI like the way love looks
The way it looks on youI like the way love looks
The way it looks on you
