

# The Way Love Looks

[Easton Corbin](#)

Baby, I know I've told you  
But I ain't told you today  
Since you walked in with that sleepy eyed grin  
There's something I've been meanin' to say I like the way love looks  
The way it looks on you When you pencil in on your makeup  
When you're rubbin' it off at night  
Wrigglin' out of them jeans while you're gigglin' at me  
Ay, no mistakin' I like the way love looks  
The way it looks on you Lyin' on the very next pillow  
Smilin' like you do  
Sharin' your deepest secrets  
Baby, I'm tellin' you I like the way love looks  
The way it looks on you When you fall asleep in front of the TV  
When you're cryin' over some sad book  
When you beg and plead to go fishin' with me  
And I have to bait your hook I like the way love looks  
The way it looks on you Lyin' on the very next pillow  
Smilin' like you do  
Sharin' your deepest secrets  
Baby, I'm tellin' you I like the way love looks  
The way it looks on you Lyin' on the very next pillow  
Smilin' like you do  
Sharin' your deepest secrets  
Baby, I'm tellin' you I like the way love looks  
The way it looks on you I like the way love looks  
The way it looks on you
