Out There

Kristine W

Walking away from
All I've known
Wind in my hair
On this winding road
A bag full of dreams
And a heart full of hope
A checklist of love
In this old overcoatIf I move fast now
This freedom has to
Lead me right into your arms
I'll caper past you
This freedom has to
Put me right where I belongYeah, yeah
Right there where I belongI mean you've gotta be out there
(You've gotta be somewhere)
You've gotta be out there somewhere
I mean you've gotta be out there
(You've gotta be somewhere)
You've gotta be out there somewhereYou've passed through my dreams
About a million times
And I felt you there
In a, a new sunrise
Now maybe I missed you
When you walked on that beach
Could you have been there
Right with, within my reachIf I move fast now
This freedom has to
Lead me right into your arms
I'll caper past you
This freedom has to
Put me right where I belongYeah, yeah
Right there where I belongI mean you've gotta be out there
(You've gotta be somewhere)
You've gotta be out there somewhere
I mean you've gotta be out there
(You've gotta be somewhere)
You've gotta be out there somewhere(I want you here)
(Right now)
(Oh, you've gotta be out there)

(I'mma search)
(Right now)
(Oh, you've gotta be out there)I mean you've gotta be out there
(You've gotta be somewhere)
You've gotta be out there somewhere
I mean you've gotta be out there
(You've gotta be somewhere)
You've gotta be out there somewhereIf I move fast now
This freedom has to
Lead me right into your arms
I'll caper past you
This freedom has to
Put me right where I belongYeah, yeah
Right there where I belongI mean you've gotta be out there
(You've gotta be somewhere)
You've gotta be out there somewhere
I mean you've gotta be out there
(You've gotta be somewhere)
You've gotta be out there somewhere
