Sabotage the Hunt

The Business

Advisory - the following lyrics contain explicit language:

Lying in wait, here they come
Dressed in red of course having fun
Trumpets blow, height of their day
Fox will die if they have their waySabotage, sabotage
Sabotage the hunt today
Sabotage, sabotage
Sabotage it anywayHere they come with horse and hounds
Bursting rounds with laser bounds
Middle class murders must be blocked
Destruction of wildlife must be stoppedSabotage, sabotage
Sabotage the hunt today
Sabotage, sabotage
Sabotage it anywaySabotage, sabotage
Sabotage the hunt today
Sabotage, sabotage
Sabotage it anywayGo near their houses and you're kicked
Try and stop 'em and you'll be nicked
They're protected by the law
All we do is watch in aweSabotage, sabotage
Sabotage the hunt today
Sabotage, sabotage
Sabotage it anywaySabotage, sabotage
Sabotage the hunt today
Sabotage, sabotage
Sabotage it anyway
