

Don't Feel Ashamed

Bang Gang

The night was calm the lights were down
We heard no sound
We looked like angels
You said that something wasn't right
Your hands were cold
You started shakingBut I don't know
What's going on
Have you been bad?
What you've done wrong?
And you feel ashamed
Don't feel ashamed
You feel ashamed
Don't feel ashamed
You feel ashamed
But don't feel ashamedYou looked at me your lips were shy
No way to hide how you were feeling
I thought I heard you say my name
You closed your eyes
And started cryingBut I don't know
What's going on
Have you been bad?
That you've done wrong
And you feel ashamed
Don't feel ashamed
You feel ashamed
Don't feel ashamed
You feel ashamed
But don't feel ashamed
