Bad Boy Calling

Dr Meaker

Who do you think you are
Standing there talking rude
With your crew, crew, crew?
Just 'cause when I walk
My big booty ass goes
Boom, boom, boom?

You know I get it everyday,
I not like saying I am special,
But some guys just have to,
Say shit in the summertime,
When they get excitied,
It's like I've invited a state of mind and opinion,
Them agressive vibe I'm just not in 'em
You hear the man calling...
"Baby why you so arrogant?"

Who do you think you are
Standing there talking rude
With your crew, crew, crew?
Just 'cause when I walk
My big booty ass goes
Boom, boom, boom?
Who do you think you are
Standing there talking rude with your crew?
Just 'cause when I walk
My big booty ass goes boom, boom, boom, boom

You know I see it everyday,
Girls tottering by looking fruitful,
The trunk is full of junk and gets an eyefull,
Walking to the shops in the sunshine.
And I couldn't even relax,
Buying my fruit and veg down at the market,
Kiwi so suggestive that I parked it,
You hear the man calling....
"Get your plums, two for the price of one!"

Who do you think you are
Standing there talking rude

With your crew, crew, crew?
Just 'cause when I walk
My big booty ass goes
Boom, boom, boom?
Who do you think you are
Standing there talking rude with your crew?
Just 'cause when I walk
My big booty ass goes boom, boom, boom, boom

Lay lay lay lay lay lay lay lay
Leave me alone...

Who do you think you are
Standing there talking rude with your crew?
