

# Don't You Wanna Stay

Jason Aldean

I really hate to let this moment go  
Touching your skin and your hair falling slow  
When a goodbye kiss, feels like this Don't you wanna stay here a little while  
Don't you wanna hold each other tight  
Don't you wanna fall asleep with me tonight  
Don't you wanna stay here a little while  
We can make forever feel this way  
Don't you wanna stay Let's take it slow I don't wanna move too fast  
I don't wanna just make love, I wanna make love last When your up this high, it's a sad goodbye Don't you  
wanna stay here a little while  
Don't you wanna hold each other tight  
Don't you wanna fall asleep with me tonight  
Don't you wanna stay here a little while  
We can make forever feel this way  
Don't you wanna stay Oh yeah!  
Oh you feel so perfect baby  
Don't you wanna stay here a little while Don't you wanna stay here a little while  
Don't you wanna hold each other tight  
Don't you wanna fall asleep with me tonight  
Don't you wanna stay here a little while  
We can make forever feel this way  
Don't you wanna stay Don't you wanna stay  
Yeah yeah yeah, yeah yeah yeah
