

Kicking Pigeons

Spunge

Kicking pigeons in the park
we had to stop coz it got dark
I went home got a guinea pig
that I had stored in my mates fridge
grabbed the thing around its throat
put it in a bath tub didn't float
Kicking pigeons in the park do u ever get that feeling
that u want 2 punch a ceiling
so u stand down on the floor
like u can't take it anymore
in ur search for absolution
there is only one solution
kick a pigeon in the park
