

# And You Never Will (feat. Maurette Brown Clark)

**Anthony Brown & group therAPy**

You are the God who can do miracles  
You are the God who shall prevail  
You are the God who's able to keep me  
You are the God who never fails I put my trust in you  
Cause you're the same yesterday and forever  
Can't see my way through  
I don't know how but it doesn't matter Chorus:  
I am so confident and I am so convinced  
I am so absolutely sure that You'll come through for me Vamp:  
You never let me down and You never will (REPEAT)
