Coming Home

Kaedyn Kashmir

Gotta get somewhere No one stop me now
I took all my pieces from yesterday And put it back somehow
Gonna change my way And I'm starting now
Gonna do what I speak
Gonna watch what I seek and I'm making a vow
Itâ€™s no fun standing in the rain Living like you do
I wanna scream I wanna ï¬•ght
I wanna cry But I'm alright
I'm coming home
I wanna scream I wanna ï¬•ght
I wanna cry But I'm alright
I'm coming home
Gotta get somewhere No one showed me how
And I can't quite remember
But September brings it back somehow
I got up off my knees And the words rang out
But I do what I please Thatâ€™s what itâ€™s all about
Itâ€™s no fun standing in the rain Living like you do
I wanna scream I wanna ï¬•ght
I wanna cry But I'm alright
I'm coming home
I wanna scream I wanna ï¬•ght
I wanna cry But I'm alright
I'm coming home
Itâ€™s no fun standing in the rain Living just like you do
Hear my piece Said you'd never leave
But it looks like we are through
I wanna scream I wanna ï¬•ght
I wanna cry But I'm alright
I'm coming home
I wanna scream I wanna ï¬•ght
I wanna cry But I'm alright
I'm coming home
