

Just Got to Be

The Black Keys

When it come to pride
And other sinful matters
Youre gonna be misled
Left feared and tattered I got to go because
Some things on my mind
And it wont get better
No matter how hard I try Whoa, yeah
You just got to be
The best man for me Evil hides in dark places
But now I find it in familiar faces I got to go because
Some things on my mind
And it won't get better
No matter how hard I try Whoa, yeah
You just got to be
The best thing for me
