

# The Seed (2.0) [feat. Cody Chestnutt]

## The Roots

Knocked up nine months ago  
And what she's fittin' to have she don't know  
She wants neo soul cause hip hop is old  
She don't want no rock'n roll  
She want platinum, ice and gold  
She want a whole lot of somethin' to fold  
If you're an obstacle she'll just drop you cold  
Cause one monkey don't stop the show  
Little Mary's bad  
In these streets she done ran  
Ever since when the heat began  
I told the girl look here  
Calm down I'm gonna hold your hand  
To enable you to keep the plan  
Because you're quick to learn  
And we can make money to burn  
If you allow me the latest game  
I don't ask for much but enough to room to spread my wings  
And a world fittin' to know my name, just listen to me I don't ask, for much these days  
And I don't bitch and whine if I don't get my way  
I only want to fertilize another behind my lover's back  
I sit and watch it grow standin' where I'm at  
Fertilize another behind my lovers behind my lovers back  
And I'm keeping my secrets mine  
I push my seed in her bush for life  
It's gonna work because I'm pushin' it right  
If Mary dropped my baby girl tonight I would name her rock 'n roll Cadillac needs space to roam  
Where we headin' for she don't know  
We in the city where the pro shake rattle 'n roll  
And I'm a god dang rollin' stone  
I don't beg I can hold my own  
I don't break I can hold a chrome  
And it's weighin' a ton and I'm a son of a gun  
My code name is the only one  
And Black Thought is bad  
These streets he done ran ever since when the game began  
I never played the fool  
Matter of fact I've been keeping it cool  
Since money been changin' hands

And I'm left to shine, the legacy I leave behind be the seed that'll keep the flame  
I don't ask for much but enough room to spread these wings  
And a world fittin' to know my name, now listen to me I don't beg from a rich man  
And I don't scream and kick when his shit don't fall in my handsman  
Cause I know how to still  
Fertilize another against my lovers will  
I lick the opposition cause she don't take no pill  
Oh you know the deal you'll be keeping my legend alive  
I push my seed in her bush for life  
It's gonna work because I'm pushin' it right  
If Mary drops my baby girl tonight I would name her rock 'n roll Oh break it down, down for me  
I push my seed somewhere deep in her chest  
I push it naked cause I've takin' my test  
Deliverin' Mary it don't matter the sex  
I'm gonna name it rock 'n roll I push my seed in her bush for life  
It's gonna work because I'm pushin' it right  
If Mary drops my baby girl tonight  
I would name her rock 'n roll  
I would name her rock 'n roll  
I would name her rock 'n roll  
I would name it rock 'n roll
