The Shiver

Sinner

[Stoner, Sinner]The shiverMidnight in a dirty ghost town
The winds howl in my face
A silent scream to hide is useless
The hand of hell will touch the landA cool empty silence within some violence - in the dark
I heard a whisper, a roar at the gate
Oh, it's too late[Chorus:]
Into the dark [2]
Hell is in heaven
The shiver will rise
Into the dark [2]
Hell is in heaven
The shiverThe shiver[Chorus]I remember it's not a dream - to take a holy soul
Eyes flashing in the moonlight
There's no choice
It smells like ol' mould[Chorus]The shiver [2]
