# I'm Learning to Dance All Over Again

## Lorraine Johnson

You've inspired me to be happy,
Let my spirit go and be free
A natural high is all I'm after,
So let the music carry me

When the people dance and party
and celebrate the night away,
Oh, I can't wait 'til we get started,
The boogie's got a spell on me

I can't remember
last time I felt like movin'
But since your love has caught me,
Every part of my body's groovin'

I'm gonna get on up and hit the floor,
I wanna wind me up and let me go,
I wanna move my feet to the party beat
'cause this dancin' at the disco is a brand new treat

Oh, I'm learning to dance all over again,
Hey, Look at me! I'm on fire!
I'm learning to dance all over again,
Since you put this feeling in my heart

(I'm gonna learn how to dance), All Over
(I'm gonna learn how to dance), All Over
(I'm gonna learn how to dance), All Over
(I'm gonna learn how to dance), All Over (repeat)

Now that I have more than status,
Dancing means much more to me,
Thanks to you I have recaptured
The rhythm in my feet, The move invading me

I'm stepping high, I feel even stronger,
There's a brighter day in my life,
I opened up a bed of roses
I'm living in a Paradise

I can't remember
last time I felt like movin'
But since your love has caught me,
Every part of my body's groovin'

I'm gonna get on up and hit the floor,
I wanna wind me up and let me go,
I wanna move my feet to the party beat
'cause this dancin' at the disco is a brand new treat

Oh, I'm learning to dance all over again,
Hey, Look at me! I'm on fire!
I'm learning to dance all over again,
Since you put this feeling in my heart

(I'm gonna learn how to dance), All Over
(I'm gonna learn how to dance), All Over
(I'm gonna learn how to dance), All Over
(I'm gonna learn how to dance), All Over (repeat)

[Instrumental]

(Learnin' how to dance), All Over
(Learnin' all over again), All Over
(Learnin' how to dance)
(Learnin' all over again)

(Learnin' how to dance), All Over
(Learnin' all over again), All Over
(Learnin' how to dance), All Over
(Learnin' all over again), All Over

Repeat to fade
