It Don't Matter Now (missing You)

Sarah Darling

I should be thinking about bikinis and a suntan
Drinking mojitos with my toes in the sand
Instead Iâ€™m staring out the window as the rain falls
Going crazy climbing up these walls
Missing You

Happened so fast, didnâ€™t take long
You stole my heart and then you were gone
We did the typical things but we made them feel bigger
So much more than a movie and a dinner

Those promises made so fast
Hardly ever last

I should be thinking about bikinis and a suntan
Drinking mojitos with my toes in the sand
Instead Iâ€™m staring out the window as the rain falls
Going crazy climbing up these walls
Missing You

Forget about the good times
Standing in your sunshine
Cause it donâ€™t matter now
I wasted a few tears
Threw away a good year
But it donâ€™t matter now

I should be thinking about tomorrow
Been waiting all winter for the summer to come
Instead Iâ€™m wishing that something might turn you around
And get me out of this heartbreak town.

â€˜Cause Iâ€™m missing you
