

Ride the Rhythm

Kool & The Gang

Let the music take your mind
Everybody ride the rhythm
Let the music take your mind
Everybody ride the rhythmGet down and ride the rhythm
Get down and ride the rhythm
Let the music take your mind
Everybody ride the rhythmLet the music take your mind
Everybody get down and ride
Let the music take your mind
Everybody get down and rideLet the music take your mind
Everybody get down and ride
Let the music take your mind
Everybody get down and rideLet the music take your mind
Everybody get down and ride
Let the music take your mind
Everybody get down and rideLet the music take your mind
Everybody get down and ride
