Ready To Go

Guards

You're the only one who drives my heart
You're the only one with telephone
What I'm on let it knowWe're often ready to go (x8)Won't you tell me where you're going to
Won't you tell me what you going through
Would I part, let it knowWe're often ready to go (x8)Don't you tell me that I don't know you 'cause I do
Don't you tell me that I can't get through with youWe're often ready to go (x4)
Ohhh ohh
We're often ready to go
Ohhh ohh
We're often ready to go
Ohhh ohh
We're often ready to go
Ohhh ohh
We're often ready to go
