# Let's Don't Call It A Night

## Casey James

Love the way you look in that dress
You got me thinking thoughts in my head
The way your body?s moving slowly to the music
Only leaves me wanting more

So baby, let?s don?t call it a night
Love the way you?re holding me tight
When you?re next to me
There?s no place I?d rather be
Everything is feeling so right
So baby, let?s don?t call it a night

Just let that clock tick away
?Cause in the morning we can sleep in late
Right now let?s spend our time
On what we?ve got in mind
I?ll get up and close the door

Yeah, let?s don?t call it a night
Love the way you?re holding me tight
When you?re next to me
There?s no place I?d rather be
Everything is feeling so right
Now baby, let?s don?t call it a night

Well baby, let?s don?t call it a night
Yeah, love the way you?re holding me, holding me tight
When you?re next to me
There?s no place I?d rather be
Everything is feeling so right
So baby, let?s don?t call it
No, let?s don?t call it a night
