

The Nerve Calmer

Ying Yang Twins

The nerve calmer
The nerve calmer
The nerve calmer
The nerve calmer
The nerve calmer I'm kinda antsy in my mothafuckin' pants
The average bro might not understand, bitch I'm a man
And I mean it from the heart
I just hate it when you make your lips part All you do is, nag, nag, nag
Make a nigga, mad, mad, mad
Gotta smoke me a, bag, bag, bag
To keep from kickin yo', ass, ass, ass I need mo' weed
Just to smoke, so I can calm my nerves
Say I need, mo' weed
Just to smoke, so I can calm my nerves, yeah
