# Don't Worry

## Campsite Dream

You say you wanna go
Wanna go for real
Into another place in timeWhen the sun wil allways shine
We shine for real
Really join me for a ride'Cause, in the early morning i'll take you
Down the river we'll break through
We're gonna break through the night
We'll try to fly with no sorry
So baby don't worry
Baby don't worry now
(Baby don't worry now)
Baby don't worry now
Baby don't worry nowYou say you wanna breath
Wanna breath for real
In another place in timeLet there always be a breeze
And peace for real
Really join me for a ride'Cause, in the early morning i'll take you
Down the river we'll break through
We're gonna break through the night
We'll try to fly with no sorry
So baby don't worry
Baby don't worry now
(Baby don't worry now)
Baby don't worry now
So baby don't worry now
(Baby don't worry)
(Baby don't worry)
(Baby don't worry now)
Baby don't worry now
(Baby don't worry)
(Baby don't worry)
(Baby don't worry now)
Baby don't worry nowYou say you wanna shine
So leave that rocky room
You say you wanna live
For the certainties
But we will never know
No we will never know
(Baby don't worry now)

(Baby don't worry)
(Baby don't worry)
(Baby don't worry now)
So baby don't worry now
(Baby don't worry)
(Baby don't worry)
(Baby don't worry now)
No worry
