

Getting Into the Jam

Electric Six

I look in the mirror and I know I'm a man
I know she's a woman and she's looking for a man
We've got sex planned
Oh!
Getting into the jam
Getting into the jam
I can feel the jam
I have reached the jamAhy!
Met her in a bar
Came in my car
Met her in a bar gonna take her to my car
We're gonna make it in my car
Getting into the jam
Getting into the jam
I can feel the jam
I have reached the jamAhy!
Eeehy! eeehy! eeehy! eeehy!
Getting into the jam
Getting into the jam
I can feel the jam
I have reached the jam
Ahy!
