Green Eyes Red Sunglasses

JT Hodges

Cross-legged on the hood
Of a jet black Chevrolet
High heels hangin' off her toes
Lord let her look my way
With themGreen eyes and red sunglasses
Green eyes and red sunglasses
Breakin' the heart of every man that passes
Green eyes and red sunglassesI can't help but sit and stare
Just like every other guy
But I can tell she doesn't care
She thinks it's fun to hypnotize
With themGreen eyes and red sunglasses
Green eyes and red sunglasses
Breakin' the heart of every man that passes
Green eyes and red sunglassesWhoa, somethin' 'bout the lady's got me going crazy
Whoa, jumpin' like a doggone fish on a lineGreen eyes and red sunglasses
Green eyes and red sunglasses
Breakin' the heart of every man that passes
Green eyes and red sunglassesGreen eyes and red sunglasses
Green eyes and red sunglasses
Breakin' the heart of every man that passes
Green eyes and red sunglassesWon't you look my way
Won't you look my way
