

# When a Man Loves a Woman

Matthew Schuler

When a man loves a woman  
Can't keep his mind on nothing else  
    He'll change the world  
For the good thing he's found  
    If she's bad he can't see it  
    He can do her no wrong  
Turn his back on his best friend  
    If he put her down

When a man loves a woman  
    Spend his very last dime  
Tryin' to hold on to what he needs  
    He'd give up all his comfort  
    Sleep out in the rain  
If she said that's the way it ought to be

Well, this man loves a woman  
    I gave you everything I had  
Trying to hold on to your high-class love  
    Baby, please don't treat me bad

When a man loves a woman  
    Down deep in his soul  
She can bring him such misery  
    If she plays him for a fool  
    He's the last one to know  
    Lovin' eyes can't ever see

When a man loves a woman  
    He can do no wrong  
He can never want some other girl  
    Yes when a man loves a woman  
    I know exactly how he feels  
'Cause baby, baby, baby, you're my world

When a man loves a woman.....
