

# Basic Instinct

## Quasimoto

Tender we fall  
Quiet and alone  
Tired and gone, just speechless  
Speechless  
Tired and goneComing up for air  
Coming up for air air  
Coming up for air  
Coming up for air airComing up for air  
Coming up for airPush me back in  
Silent in sin  
Fight in water  
want it, want it  
Basic instinctI'm tired, I don't want it  
I'm tired, I don't want it  
I'm tired, I don't want it  
I'm tired, I don't want  
I'm tired, I don't want it  
Tired, I don't wantComing up for air  
Coming up for air air  
Coming up for air  
Coming up for air airComing up for air  
Coming up for air air  
Coming up for  
Coming up for air airComing up for air  
Coming up for air air  
Air (continued)
