Christ Knows, I Have Tried

Television Personalities

It's not the easiest thing in the world to love someone
It's not the easiest thing in the world to tell someone
So if you've got somebody you love
Then let them know they're loved
Then it's the easiest thing in the world to love someoneIt's not the easiest thing in the world to show your tears
It's not the easiest thing in the world to share your fears
So let the tears run down your face
And never ever ever be ashamed
It's not the easiest thing in the world to love someoneIt's not that easy to try to swallow your pride
Yes I know it's not that easy
Oh Christ knows, I've tried
Yes, Christ knows, I've triedIt's not the easiest thing in the world to love someone
It's not the easiest thing in the world to tell someone
So let the tears run down your face
And never be ashamed
It's not the easiest thing in this world to love someone
