

That Should Be Me (remix)

Justin Bieber

(Verse 1)

Everybody's laughing in my mind
Rumors spreadin' 'bout this other guy
Do you do what you did when you did with me,
Does he love you the way I can?
Did you forget all the mem's that you made with me
Cause baby I didn't

(Chorus)

That should be me holding your hand
That should be me making you laugh
That should be me this is so sad
That should be me that should be me
That should be me feeling your kiss
That should be me buying you gifts

This is so wrong

I can't go on

'Till you believe that

That should be me

That should be me

(Verse 2)

You said you needed a little time for my mistakes
It's funny how you used that time to have me replaced
Did you think that I wouldn't see you out at the movies

What you doin' to me

You're taking him where we used to go

Now if you're tryin' to break my heart

It's working cause you know that

(Chorus)

That should be me holding your hand
That should be me making you laugh
That should be me this is so sad
That should be me that should be me
That should be me feeling your kiss
That should be me buying you gifts

This is so wrong

I can't go on

'Till you believe

That should be me

(Bridge)

I need to know should I fight for love
Or disarm
It's getting harder to shield
It's breaking my heart
Ooooh
That should be me holding your hand
That should be me making you laugh
That should be me this is so sad
That should be me that should be me
That should be me feeling your kiss
That should be me buying you gifts
This is so wrong
I can't go on
'Till you believe
That that should be me
(Holding your hand)
That should be me
(The one making you laugh (oh baby oh))
That should be me
That should be me
(Giving you flowers)
That should be me
(Talking for hours oh)
That should be me
That should be me
That should be me
Never should've let you go
I never should've let you go
That should be me
I never should've let you go
That should be me
