Good Day

Natalie Grant

Happiness is temporary
Itâ€™s here and gone in a flash of light
Troubles come without a warning
To turn the day into the night

Ohhh, when everything is changing
Ohhh, the truth is still the same
Ohhh, and I know that no one can
Ever steal it away

Iâ€™m gonna dance to the beat of amazing grace
Gonna hold to the promise that You made
And I know whateverâ€™s gonna come my way
Youâ€™re here with me and itâ€™s going to be a good day
itâ€™s going to be a good day, a good day

Fear can be so, so convincing
But I will keep my eyes on You
In every moment help me remember
That You always will bring me through
Ohhh, â€˜cause Youâ€™re forever faithful
Ohhh, the Truth is still the same
Ohhh, and I know that no one can
Ever steal it away

Iâ€™m gonna dance to the beat of amazing grace
Gonna hold to the promise that You made
And I know whateverâ€™s gonna come my way
Youâ€™re here with me and itâ€™s going to be a good day
itâ€™s going to be a good day, a good day
Come my way
Youâ€™re here with me and itâ€™s going to be a good day

And You carry me, carry me
And You carry me, carry me
And You carry me, carry me

Because Youâ€™re for me
Youâ€™ll be with me till the end
Because Youâ€™re for me

Youâ€™ll be with me till the end
Because Youâ€™re for me
Youâ€™ll be with me till the end
Because Youâ€™re for me
Youâ€™ll be with me till the end

Iâ€™m gonna dance to the beat of amazing grace
Gonna hold to the promise that You made
And I know whateverâ€™s gonna come my way
Youâ€™re here with me and itâ€™s going to be a good day
itâ€™s going to be a good day, a good day
Come my way
Youâ€™re here with me and itâ€™s going to be a good day
