

You Gotta Choose

[Fink](#)

You gotta choose, you gotta choose
Who's going home with you tonight
And is it me, is it me, I gotta know where we go from here
Red, amber, green, amber

You gotta choose, yeah, you gotta choose
Where it all ends, where it all begins
And is it me, is it me or is this whole game just about who wins
Red, amber, green, amber, green

You gotta choose, you gotta choose
Is it left or is it right
And is it me, is it me [Incomprehensible] gangsters tonight
Green, red, amber, green, amber, red, green

You gotta choose which way we go
I'm completely lost
