Chills

Lastlings

Know me, Hear me, See me feel.
These arenâ€™t the things that you wanna hear.
Know me, Hear me, See me feel.
These arenâ€™t the things that you wanna hear, hear.

The little things wonâ€™t hurt me.
So many lies believe me.
The feeling it wonâ€™t leave me.

The little things wonâ€™t hurt me.
So many lies believe me.
The feeling it wonâ€™t leave me.

Chills Baby, You give me chills.
Chills Baby, Its the thought of you.
Chills Baby, You give me chills.
Itâ€™s the thought of you.

The little things wonâ€™t hurt me.
The little things wonâ€™t hurt me.

Chills Baby, You give me chills.
Chills Baby, Its the thought of you.
Chills Baby, You give me chills.
Stay Still, Itâ€™s the thought of you.
Chills Baby, You give me chills.
Chills Baby, Its the thought of you.
