The Fad (Album Version)

Chevelle

Soon the men
Taste their own normalcy
Ends that day
Consumed by all
Irrational thoughts depend
Then change their tasteLet's call it change
Let's call it changeWhat's the fad
Hail the aces
If you care
If you hate itWhat's the fad
Hail the aces
If you care
If you hate itI got the violence
I got the violenceTrue to form
He's blind as his taste for cheap
Panther piss
He loves to bend beyond the card
So count us in to that Gucci clan
About faceLet's call it choice
I'll call it a fadWhat's the fad
Hail the aces
If you care
If you hate itWhat's the fad
Hail the aces
If you care
If you hate itI got the violence
I got the violence
I got the violence
I got the violenceSo sell your voodoo
And recognize this
Your last and only score
But you hung up on your strikesWhat's the fad
Hail the aces
If you care
If you hate itWhat's the fad
Hail the aces
If you care
If you hate itWhat's the fad (I bought it)
What's the fad (I bought it)

What's the fad (I bought it)
What's the fad
I bought itI got the violence
I got the violence
