

# The Fad (Album Version)

## Chevelle

Soon the men  
Taste their own normalcy  
Ends that day  
Consumed by all  
Irrational thoughts depend  
Then change their taste  
Let's call it change  
Let's call it change  
What's the fad  
Hail the aces  
If you care  
If you hate it  
What's the fad  
Hail the aces  
If you care  
If you hate it  
I got the violence  
I got the violence  
True to form  
He's blind as his taste for cheap  
Panther piss  
He loves to bend beyond the card  
So count us in to that Gucci clan  
About face  
Let's call it choice  
I'll call it a fad  
What's the fad  
Hail the aces  
If you care  
If you hate it  
What's the fad  
Hail the aces  
If you care  
If you hate it  
I got the violence  
I got the violence  
I got the violence  
So sell your voodoo  
And recognize this  
Your last and only score  
But you hung up on your strikes  
What's the fad  
Hail the aces  
If you care  
If you hate it  
What's the fad  
Hail the aces  
If you care  
If you hate it  
What's the fad (I bought it)  
What's the fad (I bought it)

What's the fad (I bought it)  
What's the fad  
I bought itI got the violence  
I got the violence
