

Cold (feat. Fryars)

Rae Morris

(Your eyes ain't pretty anymore)
You're not the one I adore
(And your hips never wave when you walk)
You're not the one I adore And I won't ever change my mind
'Cause I'm so tired of being your love
'Cause you've gone cold
Cut me and my blood runs
Cut me and my blood runs cold for you
Cold for you, cold for you
Cut me and my blood runs
Cut me and my blood runs cold for you
Cold for you, cold for you (Your voice isn't kind when you talk)
You walk away when we talk
(And your lips go blue with your thoughts)
You never really cared what I thought And I won't ever change my mind
'Cause I'm so tired of being your love
'Cause you've gone cold
Cut me and my blood runs
Cut me and my blood runs cold for you
Cold for you, cold for you
Cut me and my blood runs
Cut me and my blood runs cold for you
Cold for you, cold for you (You fell for my charm and my affection)
I fell for you, I fell for you
(I fell for a taste of your complexion)
I fell for you, I fell for you
(You fell for my undivided attention)
But it didn't last
But it didn't last long
(I fell for your unique ways)
I fell for you, I fell for you Cold for ya, eh
Cold for ya, eh
Better write about it (To tell you, tell you) (Ey) Cut me and my blood runs
Cut me and my blood runs cold for you
Cold for you, cold for you
Cut me and my blood runs
Cut me and my blood runs cold for you
Cold for you, cold for you Cut me and my blood runs
Cut me and my blood runs cold for you

Cold for you, cold for you
Cut me and my blood runs
Cut me and my blood runs cold for you
Cold for you, cold for youCold for ya, eh
Cold for ya, eh
Better write about it
(Ey)Cold for ya, eh
Cold for ya, eh
Better write about it
