I Don't Wanna Be

Ashley Monroe

Deal with that (7x) (throughout song) When I walk in the club The people show me love They say what's up I say what's up We say what's up, what's up I get looks from the ladies, Gaps from the dudes I'm dressed like it's the 80's No lenses checkered shoes I got a drink in my hand You know my favorite one Its red bull and vodka nigga, I'm faded sonnn And then I get those call From my favorite hizzo She screaming "Where the fuck you at?" Baby girl I'm at the disco I don't wanna be What you want me to be I don't wanna do What you want me to do Unless it's you baby Cause that's all I want So come back stop messin' with my head She was my summer love Then it got serious She moved back to her momma's And got delirious She went back with her ex Kept me a secret Then gets mad at me When I go to the club and freak it I don't know baby girl What you talkin' 'bout I'm dancing with her bud You got his dick in your mouth

I ain't no side dish

I'm the main course
I ain't your side bitch
Better decide bitch
Before I find another
I'm a say this one more time
Before good-bye my lover
I don't wanna be
What you want me to be
And I don't wanna do
What you want me to do
Unless it's you baby
Cause that's all I want

So come back stop messing with my head (2x) Eh, uh oh, put your hands up, put your hands up Put your hands up, put your hands up, Sky Blu

I got this girl
She be my baby
She is my world
And drives me crazy

This ain't how it's supposed to be
I feel like you're trying to take control of me
I'm a man, but I can't glance at these
I can't grow my trees, I can't smoke my weed
Hey, that's how I roll
To the show then off to the club I go

They act like they tryin' to band and go (?)
Girl, I'm trying to superman the ho
I do like I do baby, that's how I do, baby
Me and my nigger RedFoo, baby

She said, "you crazy"
Cause I don't wanna be
What you want me to be
I don't wanna do
What you want me to do
Unless it's you baby

Cause that's all want So come back stop messing with my head (3x)
