

In Your Presence

Jeremy Wallace & Elevated Praise

//I wanna get lost in you
Completely surrounded by you
In your presence, in your presence Lord
Enclosed in your glory
Consumed by your power
In your presence, in your presence//

I wanna get lost in you
Completely surrounded by you
In your presence, in your presence Lord
Where there is happiness
And there is fullness of joy
In your presence, in your presence Lord

////In your presence, in your presence Lord////
