Been Around the World

R. Kelly

Like a candle for this one
Light 'em up, my nigga, black pipe, come onI've been around the world and gets nuthin' but love
For who I am, I thank my fans so much
And even though some may hate, still I appreciate
All my friends and family, that kept it real with meI've been around the world and back like what up
East side to west side tourin' like what up
And even though the price for the house was so much
I still roll with them from the hood like what up'Cuz when it comes to bein' the realest I'm sho nuff
I'm a straight up industry villain fo sho nuff
And I can't satisfy some a y'all no matter what
And some a y'all cats are soldier loveSaid we livin' in a cold, cold world
And ain't nuttin' but fake faces, fake people, fake friends
Said we livin' in a cold, cold world
Where there ain't nuttin' but envy wanna bees playa-hatasYea I know I need a hug but y'all need a hug too
'Cuz God gonna judge me the same day He judge you
And even though we have our struggles thats alright
You know we get our folks, it's gon' find a way to shineBeen around the world and gets nuthin' but love
For who I am, I thank my fans so much
And even though some may hate, still I appreciate
All my friends and family, that kept it real with meSometimes this world can be so cold
When you looking through the windows of the soul
I've been looking to see the truth as it unfolds
'Cuz I've been around this globe and back enough to know the factWho loves me and who loves me not
We be shits so hot, you could put it in red tops
And pump it through every hood, ghetto, and block
Until they heart stops, thats why they fiend for meAnd I thank you for every blessing that you givin' me Lord
And I'm grateful for all my talent and my vocal accords
And all these hatas I keep shakin 'em off
Rubbin' they face in fame, I'm sorry I changed the game
But it's mine and I can't complainRule and R Kelly, been around the world
Puttin' it on women bumpin' and grindin' these bitches
But we always on time when a woman fed up
And thats love, thats why they all fuck wit usBeen around the world and gets nuthin' but love
For who I am, I thank my fans so much
And even though some may hate, still I appreciate
All my friends and family, that kept it real with meSaid my lyrics is my testimony, thats how I live
I had to get rid of a lotta fake homies over the years
You see me on TV sometimes, not how it is
Y'all gotta start learnin' how to separate me from showbizWhen I'm rollin' through your city, show me love

And ladies when you see a boy, give me love
And though I'm not conceited, right
It's just my space sometimes I need it, rightSaid I got so many friends in them area codes
That I hand out them tickets when it comes to my shows
Ja let's break bread together, pray together
That we grow strong togetherIt's clear forever, help each other through the stormy weather
Let's hurt together, let's cry together
And even if we grow together
Then together we'll make it betterBeen around the world and gets nuthin' but love
For who I am, I thank my fans so much
And even though some may hate, still I appreciate
All my friends and family that kept it real with meBeen around the world and gets nuthin' but love
For who I am, I thank my fans so much
And even though some may hate, still I appreciate
All my friends and family that kept it real with me
