

God Bless the USA

[Kaitlyn Maher](#)

If tomorrow all the things were gone
Youâ€™d worked for all your life
And you had to start again
With just your children and your wife
Youâ€™d thank your lucky stars
To be living here today
â€™Cause the flag still stands for freedom
And they canâ€™t take that away

And Iâ€™m proud to be an American
Where at least I know Iâ€™m free
And I wonâ€™t forget the men who died
Who gave that right to me
And I gladly stand up
Next to you and defend her still today
â€™Cause there ainâ€™t no doubt I love this land
God bless the USA

From the lakes of Minnesota
To the hills of Tennessee
Across the plains of Texas
From sea to shining sea
From Detroit down to Houston
And New York to L.A.
Well there's pride in every American heart
And it's time we stand and say

That Iâ€™m proud to be an American
Where at least I know Iâ€™m free
And I wonâ€™t forget the men who died
Who gave that right to me
And I gladly stand up
Next to you and defend her still today
â€™Cause there ainâ€™t no doubt I love this land
God bless the USA

And Iâ€™m proud to be an American
Where at least I know Iâ€™m free
And I wonâ€™t forget the men who died
Who gave that right to me
And I gladly stand up
Next to you and defend her still today
â€™Cause there ainâ€™t no doubt I love this landâ€™ God bless the USA
