

# Lying Eyes

## The Eagles

City girls just seem to find out early  
How to open doors with just a smile  
A rich old man and she won't have to worry  
She'll dress up all in lace and go in style

Late at night a big old house  
gets lonely  
I guess every form of refuge has its price

And it breaks her heart to think her love is  
Only given to a man with hands as cold as ice  
So she tells him she must go out for the evening  
To comfort an old friend who's feelin' down  
But he knows where she's goin'  
as she's leavin'  
She is headed for the cheatin' side of town

You can't hide your lyin' eyes  
And your smile is a thin disguise  
I thought by now you'll realize  
There ain't no way  
to hide your lyin eyes

On the other side of town a boy is waiting  
with fiery eyes and dreams no one could steal  
She drives on thorough the night anticipating  
Cause he makes her feel the way she used to fee

She rushes to his arms  
They fall together  
She whispers that it's only for a while  
She swears that soon she'll be comin' back forever  
She pulls away and leaves him with a smile

You caqn't hide your lyin' eyes  
And your smile is a thin disguise  
I thought by now you'd realize

There ain't no way to hide your lyin' eyes

She gets up and pours herself a strong one  
And stares out at the stars up in the sky  
Another night, it's gonna be a long one  
She draws the shade and hangs her head to cry

She wonders how it ever got this crazy  
She thinks about a boy she knew in school  
Did she get tired or did she just get lazy?  
She's so far gone she feels just like a fool

My, oh my, you sure know how to arrange things  
You set it up so well, so carefully  
Ain't it funny how your new life didn't change things  
You are still the same old girl you used to be

You can't hide your lyin' eyes  
And your smile is a thin disguise  
I thought by now you'd realize  
There ain't no way to hide your lyin' eyes  
Honey you can't hide your lying eyes
