

Ice Cream

Waka Flocka Flame

See Ill be shutting pistils since the seven grade
Ive ben a real nigga since the second grade
And when I made Gucci though Im real nigga
cross the line and he become
I use to share rooms now I gotta make
Nigga zip codeine like its lemonade
Im steel the same nigga like in 94
Aint not change but this dirty
Ive been thought so much shit
Aint feel on me and I got an extra
Was a nigga
Get upon hisso you better watch he
Love to see you split
They know I got an army, know I got some killers
If you try to arm me
Fuck boys around me
Wanna see me broke lay down like a
cuz nigga had to shut m
See Ill be shutting pistils since the seven grade
Ive ben a real nigga since the second grade
And when I made Gucci though Im real nigga
cross the line and he become
I use to share rooms now I gotta make
Nigga zip codeine like its lemonade
Im steel the same nigga like in 94
Aint not change but this dirty
I aint worry about shit nigga all around me
If its twenty niggas then its twenty pistils around me
but no young nigga round me
for free I aint got a
Use to be my nigga now you jealous
cuz the streets know the real
all in your feelingsNigg you just talking you dont realize what your business are
See Ill be shutting pistils since the seven grade
Ive ben a real nigga since the second grade
And when I made Gucci though Im real nigga
cross the line and he become
I use to share rooms now I gotta make
Nigga zip codeine like its lemonade

Im steel the same nigga like in 94
Aint not change but this dirty
