Hold That Tiger (Tiger Rag)

The Swing Ninjas

Hold that tiger
Hold that tiger
Hold that tiger
Hold that tiger
Catch that tiger
Catch that tiger
Catch that tiger
Hold him
Whip him
Poke him
And grope him

Hold that tiger
Hold that tiger
Lo where can he be
I saw him running down
I saw one eat a clown
Hold that tiger still for me

Hold that tiger
Hold that tiger
Hold that tiger
Hold that tiger
Catch that tiger
Catch that tiger
Catch that tiger
Whip him
Thank him
Shave him
And spank him

Hold that tiger
Hold that tiger
Lo where can he be
I saw him with a glove
I saw one sniff a dog
Hold that tiger still for me, ya da da dum
Hold that tiger still for me
