2:1

Elastica

Keeping a brave face in circumstances is impossible
Cannot describe so many decisions
It's impossible to know which is
The proper order, the best position, to be in and
Take advantage or so it seems, the way it goesIt's tragic laid down on your side
Too easy you know that you know
You're soaking wet, you talk too much
It's not necessary before the ice melts
I just want to say "This packet's yours
Don't ask for more, 'cause somewhere
Along the line I've forgotten already"
